

Group drumming for recruitment & assessment centres

Why group drumming?

GROUP DRUMMING AS A SELECTION TOOL

Group drumming is a non-verbal, energising team activity that simulates workplace dynamics to observe real soft skills. A fully interactive group experience designed to surface behaviours including: communication, collaboration, and adaptability.

Why it works ?

BREAK CANDIDATES OUT OF REHEARSED RESPONSES

- Behaviour-based
- Non-verbal & Inclusive
- Fits simply into any selection day
- Observation-ready
